**MIXMAG IN LA W/ CLAUDE
VONSTROKE + JUSTIN
MARTIN**

Once again, *Mixmag* will be landing at Avalon, Los Angeles, for a night of high quality EDM action.

We've asked the mighty Dirtybird records to help us throw a party showcasing the finest underground sounds.

On Friday May 4, *Mixmag* brings label boss Claude VonStroke, Justin Martin and Worthy to Avalon to set the LA night on fire.

VonStroke and his crew are currently dominating dance music with their unique bass-heavy, party-ready sound. You better be ready for this one!
